---

Please join me in welcoming Ellsworth Composite Flight (NCR-KS-057) to the Kansas Wing family. Their charter went through on Friday the 13th. The new unit commander is Captain Kim Torkelson. If you would like to welcome her, she can be reached at [drjk9265@sbcglobal.net](mailto:drjk9265@sbcglobal.net).

We appreciate the willingness of all to serve their community, state, and nation. On Saturday, the Ellsworth Composite Flight color guard won the Kansas Wing Color Guard Competition. They will travel to Fargo, North Dakota to represent the wing in the region competition in April. They are off to a strong start.

Welcome aboard, Ellsworth!
